

## **Mid-Hudson Love In the Name of Christ Prayer Update April 5, 2010**

Praise God with us for a successful Cookie Walk fund-raiser on Saturday, March 27. God provided our ministry with approximately \$2,800 through this event. Thank you to Ann Derwin and the Cookie Walk committee and to all who baked and purchased cookies for this event. Thank you also to Poughkeepsie United Methodist Church for hosting a prayer room during the Cookie Walk and to all who stopped by and prayed for the needs of Love INC. Please continue to pray for God's abundant financial provision for the needs of this ministry.

Please continue to pray that God's will would be discerned and accomplished through Mid-Hudson Love INC. Pray specifically that the board would have wisdom in determining areas of gap ministries to address and finding volunteers to help in those areas. Pray that all Love INC does would bless our clients, our community and our great God!

Please pray for protection over all of Love INC – our clients, our offices, our board members, and our volunteers.

Finally, please pray for yourself and ask God how He might be calling you to be a part of Mid-Hudson Love INC as we work together to mobilize the Church to transform lives and communities In the Name of Christ.

As in previous months, we ask that you would pray for our clients. If you have been praying for one or more of those listed in earlier updates, please continue to do so. Below are some details of additional clients. (Again, I have changed the names for the sake of confidentiality.) Would you join us in prayer for these people?

- Gary, a man we are helping with furniture, was recently incarcerated. Please pray that God would help him overcome his anger and mistrust.
- Peter, another man we are helping with furniture, is now in recovery. Pray that he will have strength to continue in recovery. Pray also that God would provide suitable, affordable housing for him.
- Richard has health problems and is unemployed. Please pray that God would provide Richard with a church home and would meet his financial needs.
- Susan is mentally disabled. We have visited Susan and provided her with personal care items. Please pray that God would provide people to help Susan in her home.

Thank you for your partnership in prayer!
