

Mid-Hudson Love INC  
Love In the Name of Christ

## **HOST A 'LOVE EVENT' FOR LOVE INC HELP OTHERS LEARN ABOUT LOVE INC!**

**How?** Host a dinner, BBQ, game night, pool party, dessert night, garden night (or whatever your creative spirit can come up with) at your home (or away from your home) between June 1st and September 30th

**Why?** To have fun and let others in on the best kept secret around:  
Love INC is making a difference in the community!

**The Idea:**

- ❖ Keep it simple (order in pizza) or make it fancy (your gourmet specialty)
- ❖ Set a date and keep us informed; we'll provide resources and we'll pray!
- ❖ Invite your neighbors, church members, work colleagues, your kids' friends' families, relatives—the more that learn about Love INC the better
- ❖ Tell them that instead of going out to dinner, you're cooking or ordering in or making dessert or getting the pool ready or flipping burgers
- ❖ Ask them to donate the money they would have spent eating out or part of the cost for the evening
- ❖ You could suggest they also bring a personal care item for our pantry (list available) or new pillows and gently used linens for our linens pantry
- ❖ During your Love Event, provide information about Love INC and/or watch a Love INC DVD clip together, share YOUR experience with Love INC, and ask if they'd like to get involved or host a Love Event too
- ❖ Request materials from Love INC or invite a Love INC speaker to wow your guests with super Love INC stories

**The Result:** A great time with great friends, lots of noise and laughter, learning about Love INC, expanding the Love INC family, and helping Love INC out financially.

A win-win for all! If **20** Love INC 'family members' hosted a Love Event with **10** people with an average **\$20.00** contribution each, Love INC would raise **\$4,000.00!** (Make checks payable to Mid-Hudson Love INC, "Love Event" in memo line, mail to 226 Church Street, Poughkeepsie, NY 12601 within two weeks of event for tax deductible receipts).
